WORLD HEALTH DAY

World Health Day was celebrated in The Senior Study II on 6th April 2023. A special assembly was organized to mark the occasion. Students prepared beautiful posters depicting the theme for the year, 'Health For All'. Students presented a short enactment elucidating the four dimensions of health – physical, mental, social and spiritual. Students of Junior Wing spoke on the interdependence of physical, mental & social health, followed by a song on the importance of good health.

WORLD EARTH DAY

Earth Day 2023 is an opportunity for us to invest in our plan and take action to protect the environment. 5 R's of sustainability were introduced (namely - Reduce, Reuse, Recycle, Refuse & Rot) to the students with the help of the video and class activity. The students of Junior Wing took the initiative of using the waste material and also planted saplings to mark this occasion. The students of Class VI explained the steps that need to be taken to invest in the planet – like planting trees, promoting 3R's, to keep check on global warming and rectifying our living styles so as to ease the burden of our dear Mother Earth.
